

HOW TO CREATE A PROFILE

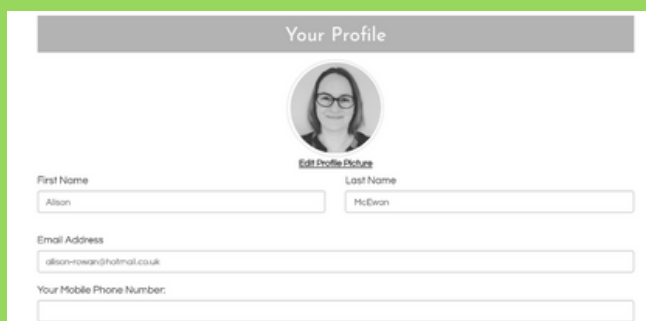

A Guide for Sustainability Volunteers

1 SIGN UP AS A ROLE MODEL

founders4schools.org.uk/register/

- You can use your Linked In profile to pre-fill some sections
- Activate your account via the joining email

2 CUSTOMISE YOUR PROFILE

- Visit your Dashboard and go to the My Details tab
- Upload a profile picture to build credibility and rapport
- Fill in your personal details

3 ENTER A ONE-LINER DESCRIPTION

- Mention Your Title and Organisation
- Highlight Focus on Sustainability)
- Emphasize Your Impact

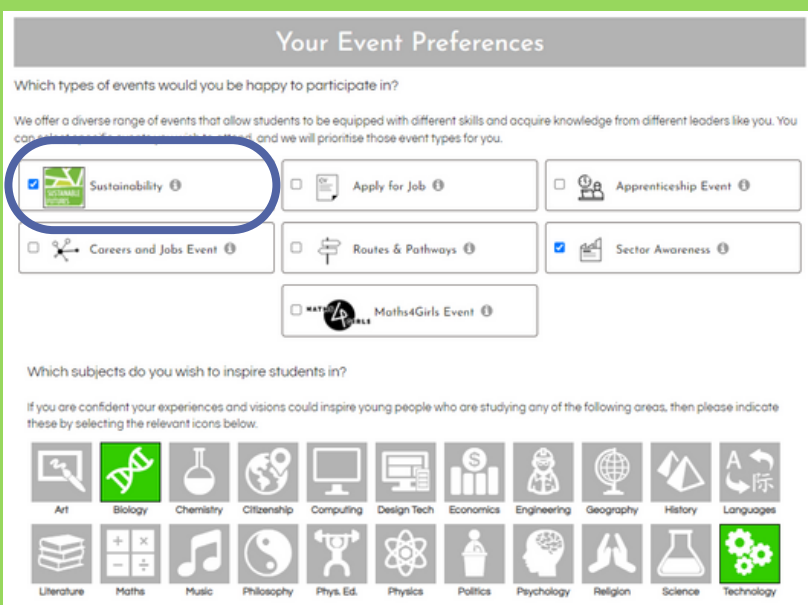

Example:

“Co-Founder at Net Zero Future: Passionate sustainability professional driving impactful change through innovative strategies and collaborative solutions for a greener future”

4 WRITE A FULL DESCRIPTION ABOUT YOU

- Using clear language (no jargon) explain your job.
- Provide a brief overview of your career journey
- Describe the skills required (technical, soft, and industry-specific skills)
- Relate role to sustainability
- Keep it brief (We recommend a maximum of 120 words)

5 SELECT EVENT PREFERENCES

- Choose the Sustainability encounter so our educators can find you on the platform

- Select subjects that fit your background/interests (You don't have to deliver a lesson based on these subjects, so there's no need to be an expert)
